1. Lord of Heaven and Earth

To the Lord of heaven and earth.
To him we offer up praise.
Oh the Lord of heaven and earth.
To him we offer up praises.

Who can knit flesh and bone, raise up sons of Abraham from stone?
Whose words can raise the dead, reverse the path on which the sun does tread?

Only the Lord of heaven and earth.
To him we offer up praise.
To the Lord of heaven and earth.
To him we offer up praises.

Who can see the future in detail. With his hand he pushes back the dark veil.
Who can make a man from clay?
To him a thousand years is only one day.

Only the Lord of heaven and earth.
To him we offer up praise.
To the Lord of heaven and earth.
To him we offer up praises.

Lyrics Davyd Homan.

2. G-d of Israel

We are gather here and now we stand.
Offering up praise to the one who made all of this great Land.
All of this great Land.
The hair on your head has been counted he knows the number.
Oh awaken my spirit from your sleep from your slumber.
From your slumber.

He's able to speak without a sound.
He knows when a bird, a little bird falls down.
Falls down to the ground, falls down to the ground.
The might raging sea he can command to keep its border.
The moon and the stars he does hold them in their order.
Holds them in their order.

Lyrics by Davyd Homan

3. Morning Dew

G-d spoke and caused from nothing the world to be formed.
On the sea of Galilee he quiet end the storm.
Cause a donkey to a prophet to speak.
Yet was quiet while sinners struck his check.

G-d he can walk on water did he walk through a wall?
Raises up a chosen nation, cause another to fall.
Eighty five thousand in one night he slew.
Yet to me he's the morning dew.

How can I comprehend you?
How can I comprehend you?

Our mighty G-d does dwell in unapproachable light.
In me such a wonderful fire he did ignite.
May our praises waft up to your temple.
Blessed be G-d the G-d of Israel.

How can I comprehend you?
How can I comprehend you?

Lyrics by Davyd Homan

4. The Name

We acknowledge that you judge the living and the dead.
We thank you for your love and the pure blood you shed.
We confess that you are G-d.

Our eyes now open.
Your voice did hail.
Then your light did shine on us as we stepped through the veil.

Blessing peace they will come to all those that know you.
For you're G-d you're a man and was born a Jew.
We confess that you are G-d

We praise your name, we praise your name.

The only name by which man can be saved.
Can be saved.

Lyrics by Davyd Homan

5. River

We dwell in a river.
Of grace that's not felt or seen.
A river that's constantly makes us clean.
We're dry but shouldn't we be wet?
This wonderful current that takes our sin and debt.

We live in a river.
Yet don't feel the push or pull.
To him alone we are so grateful.
We praise, praise the lamb who was slain.
This wonderful current takes our sin and shame.

Lyrics by Davyd Homan

6. Blue Mermaid

The stars spread out like a blanket above, terra firma is under our feet.
The sunrise's and pushes the darkness away.
Bathed in its lovely light we then feel heat.
Strange winged creatures flutter in the sky.
Animals crawl about on the earth.
All creation calls out his majesty, the work of his hands calls loud
they speak of his glory and splendor.

The earth is spinning yet we are standing still.
We're rushing forward yet the air's so calm.
Our eyes are completely open and so is our heart.
We're living in your light not in the dark.
He's the creature he created this alone.
He's the creature he created this alone.
All creation calls out his majesty.
The work of his hands calls loud it speaks,
of his glory and splendor.

The son rises and pushes the darkness away.
The son rises and pushes the darkness away.

Lyrics Davyd Homan

7. Sher (Instrumental)

8. Jerusalem

Jerusalem your G-d will come with great power.
Jerusalem he will come riding cherub.
Treading down the nations in his great anger in his great wrath alone.

Jerusalem, from the land of Edom he does come marching in power.
His garments glowing, his garments are stained with the red blood of
your enemies.

Jerusalem lift up your voice, sing a song.
Jerusalem give praise to your G-d.
He will wrap his arms around you in love, around you in love, love.

Jerusalem head of all the nations.
A name and praise in all the earth.
And all the nations shall come to your light.
And they will say Jehovah is there.

Lyrics Davyd Homan

9. Crouched Down

Crouched down in splendor.
Baruch Ha Shem
Baruch Ha Shem
The Lord he does roar, roars from Zion.
Holding a rod of iron.

Our G-d is great.
Baruch Ha Shem
Baruch Ha Shem
His name is exalted among the nations.
Our priests offer up oblations

Lyrics by Davyd Homan

10. Morning Rays

You're the morning rays that reach into the cave.
You're the world's lighthouse by which my ship was saved.
All the beams of light come from you.
You're the one that's more than two.
You're the one that's more than two.

You spoke and from nothing the world it came together.
Spinning all around the movement of its weather.
You did make the sun and form the dew.
You called out but answer only the few.
You called out but answer only the few.

You made the Gentile and you did make the Jew.
You formed all the flesh the bone and the sinew.
Both of us we came. Came from Eve.
Both of us in Yeshua must believe.
Both of us in Yeshua must believe.

Lyrics by Davyd Homan

11. Spring Of Life

We praise you for you lead us to the spring of life.
We went down in the water and came up clean and new.
Blessed be the Lord enthroned on high, praise be to the mighty one of Jacob.
Enthroned on high, enthroned on high, enthroned on high.

We praise you for you wrapped us in your righteousness.
We are standing in awe in all that you have done.
Blessed be the Lord enthroned on high, praise be to the mighty one of Jacob.

Enthroned on high, enthroned on high, enthroned on high.

Lyrics Davyd Homan
